(Notes) 1. The requirement for adoption of the each Item of Business is approval by a majority of the votes of shareholders present at the Meeting where the shareholders holding one-third (1/3) or more of the voting rights of the shareholders entitled to exercise voting rights are present.

(Notes) 2. The approval ratio represents the ratio of approval votes to the number of voting rights of shareholders present at the Meeting (inclusive the number of approval votes exercised up to the day prior to the Meeting and the number of approval votes exercised by certain shareholders present at the Meeting, but exclusive of voting rights of shareholders who left in the middle of the Meeting).

- (4) The reason why a portion of the number of voting rights of shareholders present at the meeting was not included

As the sum of the number of voting rights exercised up to the day prior to the Meeting and the number of voting rights of a part of the shareholders present at the Meeting whose intention of approval, disapproval or abstentions for all items of business was confirmed satisfied the requirement for adoption of all matters resolved and as the items of business were thus resolved lawfully under the Companies Act, the number of voting rights of the shareholders present at the Meeting whose intention of approval, disapproval or abstention was not confirmed has not been included.
